

FIG. 16. 1.

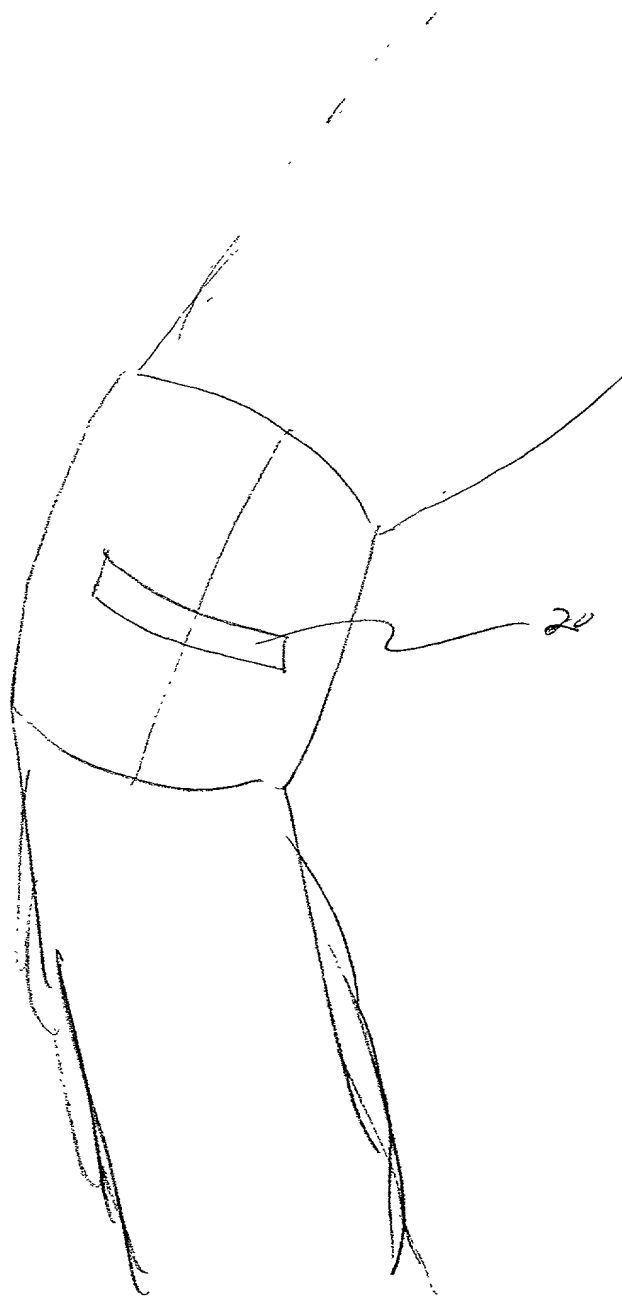

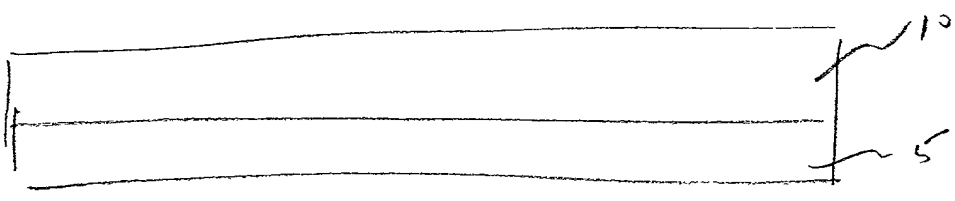

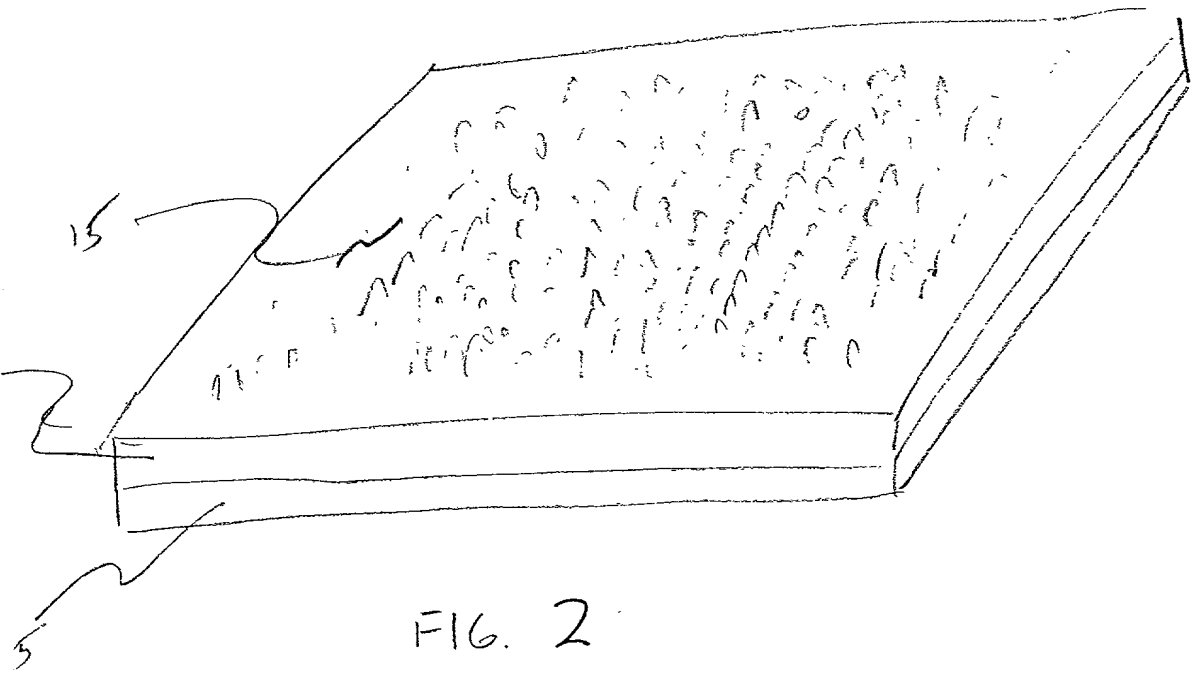

FIG. 16. 1.

FIG. 2 is a perspective view of a rectangular block 10 having a top surface 15 and a bottom surface 5. The top surface 15 is covered with a layer of small, rounded protrusions or bumps. The bottom surface 5 is smooth and flat. The block 10 is shown in a perspective view, with the top surface 15 and the bottom surface 5 clearly visible.
